

## Iceberg Picnic Table

- Durable
- Lightweight
- Sturdy
- 8 Person Capacity
- 72" Long

Perfect for indoor/outdoor break areas or parks. Lightweight, durable, and weather resistant, this picnic table will perform for years.

Top and benches are constructed of steel reinforced, durable blow molded high density polyethylene with radius edges for comfort. Dent and stain resistant. Will not fade or crack in sunlight. Base is heavy gauge, 1.5" diameter powder coated steel tube,  $\frac{3}{4}$ " steel tube cross bracing, for strength and sturdiness. Plastic bumpers on legs prevent marring on floors. Easy to assemble and disassemble for storage. Color: Top and benches – Platinum, base – gray.
