SnapEase™ **Computer Workstations**

# SnapEase™ Computer Workstations

Iceberg SnapEase computer workstations provide long lasting durability combined with good looks that match today's computer color schemes. Each unit is constructed of blow molded high density polyethylene for the kind of durability that won't dent, chip or rust. Whether for your small office, home office or dorm, this sturdy furniture snaps together in minutes, and quickly reconfigures without tools. Workstations have a glide out keyboard drawer with wrist rest, that accommodates keyboards up to 20" W x 8.75" D x 3.125" H. The mouse tray mounts to the right or left side. SnapEase computer workstation systems are designed with ease and durability in mind to provide years of trouble-free use.
